

Scott D. Ferrin, SHRM-SCP

Field Services Director

Society for Human Resource Management

Scott D. Ferrin has been a Field Services Director for SHRM since 2010. His primary responsibilities include managing state council relationships, serving as a liaison with state councils, chapters and volunteer leaders, and promoting SHRM membership. He attends State Council meetings and conferences, and, as his schedule permits, chapter events. Scott resides in Mesa Arizona and supports SHRM members in Arizona, Colorado, Hawaii, Nevada, New Mexico and Utah.

He has served in a variety of volunteer organizations prior to joining SHRM as a member of the staff. When hired at SHRM, he was the Legislative Director for the East Valley Human Resources Association (EVHRA), a SHRM Chapter in Arizona. Scott is certified as a SHRM-Senior Certified Professional (SHRM-SCP), a Certified Association Executive (CAE), and a Project Management Professional (PMP).

Scott has over 20 years of work experience in HR. Prior to joining the SHRM staff, he held titles as a Senior Workforce Planner, Workforce Planning Manager, Talent Manager, Recruiter, Site HR Generalist, and Site HR Manager for companies ranging in size from Fortune 500 down to start-up companies with 20 employees. He has worked in the mining, financial services, insurance, and education industries during his career.

Scott has a Bachelor of Business Administration with an emphasis in Finance from Weber State University, and an MBA from the University of Phoenix.
